THANK YOU FOR A GREAT SPRING SEASON!

As we head into the final few league games, we wanted to take a moment to recognize the incredible gift you have given your player – the gift of belief. You believe that hard work, late nights, long days, wins, losses and lessons learned through it all will enhance your player now and into the future. You believe lessons learned on the pitch will translate into positive attributes and qualities they possess throughout their lives.

You believe in the magic of team sports where WE is always bigger than ME. You believe in their potential. You believe in their abilities. You believe in their teamwork.

You believe in MC United as a club and you believe it is the club for your family.

Thank you for all your efforts in making this season – and every season – the best it can be for your player, team and our club.

We have many people who contribute significant amounts of time and effort to MC United who expect nothing in return. Coaches, Managers, Board Members, Volunteers, Parents.

We see you all. We thank you all. #MCUnited

WISCONSIN OLYMPIC DEVELOPMENT PROGRAM (ODP) TRYOUTS ANNOUNCED

Programs Overview

Players are either eligible for Pre-ODP* or State Pool/Teams. Pre-ODP is a regional training program that can span a player's first one or two years in ODP. Pre-ODP will provide a competitive and development-focused environment without cuts, as participation is on a first-come, first-served basis. The program is designed to supplement club soccer by helping players improve their technical skill set and understanding of the game during the off-season. Sessions are led by ODP Staff coaches with extensive experience.

Players attend tryouts to be selected for Wisconsin State Pools*. State Pools are groups of players organized by birth year. Those selected will participate in the year-long player development process which consists of approximately 10 contacts (held around the state), including 8-10 trainings and/or 1-2 intra/interstate competitions. Players are evaluated during the development series to be selected for Wisconsin State Teams. Wisconsin State Team participants represent Wisconsin ODP in a Regional Event with the opportunity to be identified for participation in Midwest Region programming.

*The overlap year. The oldest Pre-ODP year overlaps with the youngest State Pool year. Players are only eligible to participate in one.

Coaches

Wisconsin ODP Staff is comprised of a diverse and highly experienced group of individuals with college, high school, and other professional coaching backgrounds. Coaches are carefully assigned to gender and age group pools according to their professional portfolio and area of expertise. Each coach has successfully completed the WYSA Risk Management requirement.

2026 ODP Tryout Information

Birth Years 2010-2016

Players are strongly encouraged to attend both tryout sessions
